## **Press Release North West Career Fest 2017**

The inaugural North West IGC Careers Fair will take place in IT Sligo on May 11th 2017 from 9:30 a.m. until 3 p.m.

We will have exhibitors from the higher education sector, industry, state organisations and the voluntary sector. The event hopes to provide a platform locally for students from the region to meet with colleges, training bodies, and local businesses. They will also experience visiting a third level institution and have the opportunity to attend brief lectures/talks.

All information about our event is on our website: [www.northwestcareerfest.com](http://www.northwestcareerfest.com). We are providing two sessions; 9.30am to 12pm or 12.30pm to 3pm.

This is a unique opportunity for students in the region to meet with successful employers and find out about career opportunities. This will be supported with information provided by a wide selection of third level institutions.

This is a non-profit event which we hope will become firmly established on school calendars on an annual basis.

Kindest regards,

Cecilia Mc Guinness  
Chairperson of The IGC Sligo/Longford Branch
